DESCRIPTION

The third bottle of the HAVE FUN collection is born from the collaboration with Joe Velluto Studio. EDEN is a brut white sparkling wine produced from grapes from vineyards in the plains, an easy and highly drinkable bubble that aims to attract a public who likes products with a unique image.

TASTING NOTES

At sight it appears pale straw yellow. Very fine bubbles rise up the glass in dense and numerous chains. Clear and precise aromas outline an olfactory picture centered on floral tones of jasmine and citrus of cedar and mandarin. The sip is dry and fresh thanks to the citrine notes, with a creamy and enveloping carbonation. The savory finish is pleasant.
